AGENT SERIES

• AU-1 & AU-2 •

Introducing:

THE AGENT AU-1

Single ear, noise cancelling USB headset

The agent AU-1 is a single ear noise-cancelling headset with USB connection. The AU-1 is ideal for your modern Unified Communications equipped office and the lightweight comfort means you can wear it for hours. With in-line call controls and noise-cancelling the AU-1 gives you the technology you need, a sleek but tough design and all at an amazing price.

THE AGENT AU-2 USB

Dual ear, noise cancelling USB headset

The agent AU-2 is a dual ear noise-cancelling headset with USB connection. The AU-2 is ideal for your modern Unified Communications equipped office and the dual speakers are great for those who need to give their full attention to calls. With in-line call controls and noisecancelling the AU-2 gives you the technology you need and a sleek but tough design at an amazing price.
